

Parental Permission for Field Trips and Other Activities

Grace Christian Academy requires your consent for your child to attend various field trips or activities during the school year. You will always be notified in advance of any field trip or activity planned for your child's class. In the event that we don't receive back the advance notice with your written 'OK' then this form will be of use to ensure that your child doesn't miss the field trip when we have your verbal approval. This form will never supersede your parental authority or denied permission on any specific field trip or activity.

I hereby give my consent for _____ to attend all field trips or activities during the current school year.
